Considering the complaints received against the working of the Benami Regulation Scheme even in many of the Northern towns, I am not in favour of extending the scheme as already observed from my minute dt 7/7/25. But in favour of extending the scheme to mofussil stations (outside of the Municipal limits) for the convenience. With reference to the correspondence ending with your letter No.J.2384 Cts.37-21-6 dated the 15th November 1921 regarding the --- establishment of a Bench Court at Kalasa in the Mudigere Taluk, I have the honor to request you to be so good as to obtain sanction of Government to the proposals of establishing a Bench Court at Kalasa for a period of two years.

2. In my opinion, a Bench Court at Kalasa is very desirable as the place is 38 miles from Mudigere, the Taluk Head Quarter, and I --- learn that many offences go unreported because of the distance. Each hearing means a journey of nearly 80 miles in the heart of the Malnad which is water-logged for four months in the year. The planters in that locality are also urging for the establishment of a Bench Court there.

3. The usual proposition statement has been already sent with the letter under advertance.
